## WHY Vampirella® from silver plastics® ?

- ✓ Little use of raw materials and maximum weight saving 🌿
- ✓ Reduced density from 1.04 to 0.06 g/cm<sup>3</sup> 🌿
- ✓ The shell consists of 100 % mono material 🌿
- ✓ Self-absorbing - no separate soak-pad required 🌿
- ✓ Matching lids and expansion foils available
- ✓ Many different shapes and colours
- ✓ Best price-performance ratio
- ✓ ...just freshly packed!
