WHY HP1 Chicken Trays from silver plastics® ?

- ✓ Specifically designed for whole chickens
- ✓ Sustainable: Up to 80% rPET, 100% mono-material
- ✓ Recyclable thanks to pure PET
- ✓ Integrated capillary base – absorbs liquids without a separate pad
- ✓ Optional: Absorbent pad can be integrated
- ✓ Central support surface reduces product pressure marks
- ✓ High stability thanks to optimized rib structure and wall geometry
- ✓ Lightweight, stackable & hygienic
- ✓ Ideal for counter and self-service areas
